# Indoor Fireworks

Indoor fireworks are used where maximum impact is required or to enhance key moments. They are a fantastic way of adding glitz, glamour and sparkle to your event. Fireworks are ideal for entrances of principles, cake cuttings and first dances. We have a large choice of different colours and effects for you to choose from.

# Dry Ice/Low Fog

Create that dreamy effect with our high quality dry ice/ low fog effects. Catch that first dance moment of dancing on the clouds and treasure it forever. This low smoke fog effect is perfect for first dances, entrances, and for that x-factor moment.

# Confetti

Confetti can be used at focal points such as first dances, entrances and the cake cutting, to make that special moment one to remember. Our popular confetti includes slow falling gold, silver or multi-coloured foil. Our red hearts are perfect for that special first dance or our multi-coloured paper/streamer confetti is ideal for general celebrations.

# CO2 Canons & Guns

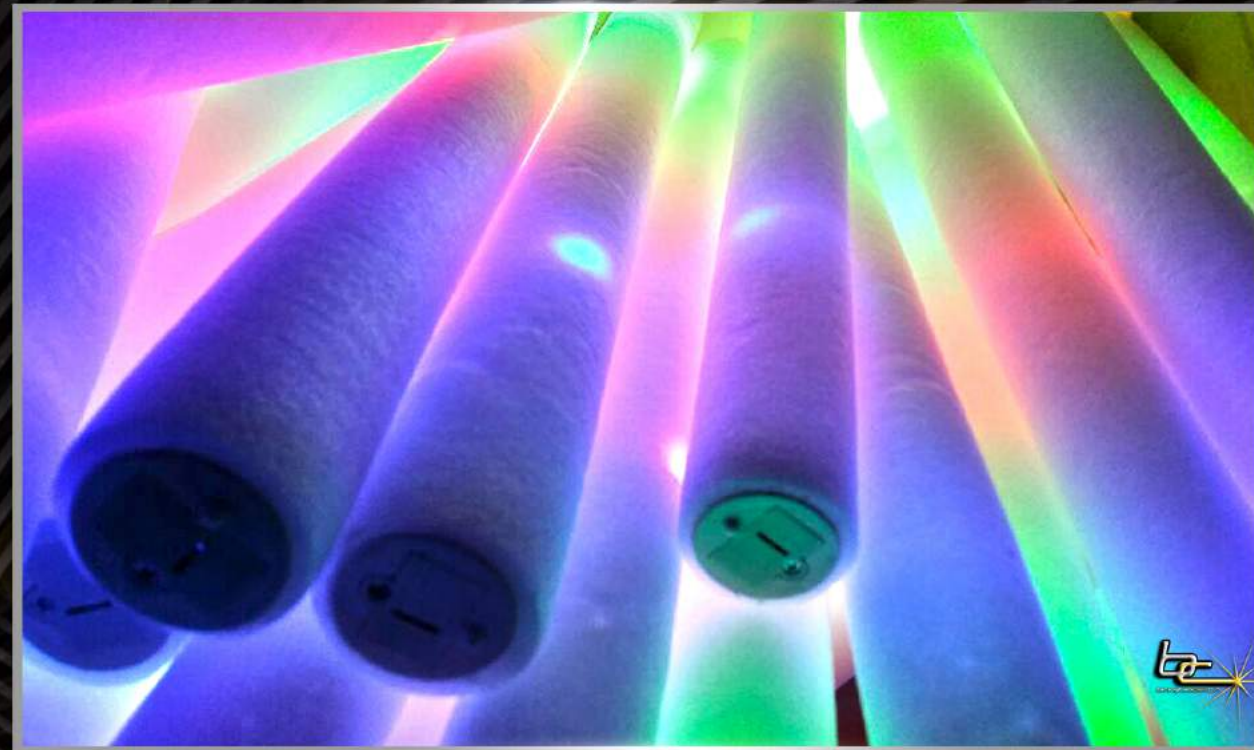

Startle your audience and make them reach for the clouds with our CO2 effects. Choose from our CO2 party cannons or our CO2 guns which blast out a cloud of cold air that is safe to inhale, and cool to dance into. It creates an amazing vibe and a striking nightclub effect.

## Glow Sticks

Take the atmosphere to the next level by including some large rainbow flashing foam batons with multi-coloured lights. These are soft, safe, flexible & above all so much fun. Great for themed events such as Ibiza, Rave, Summer, or any party orientated theme. Whatever the occasion our glow sticks will definitely turn up the party atmosphere.

## Giant LED Letters

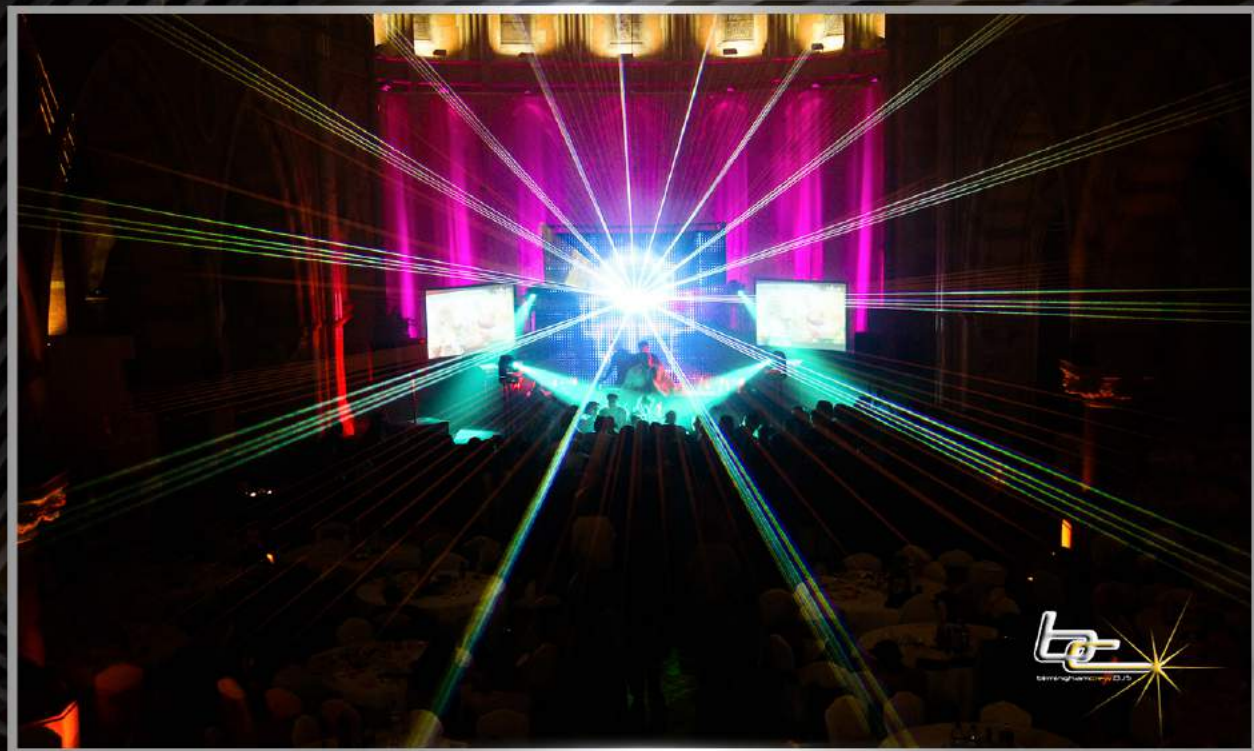

Our giant led letters are guaranteed to make an impact and become a talking point for guests. They are perfect for photographs or for that perfect backdrop in a drinks reception or head table design. Choose from our popular LOVE or create your own words & phrases such as bride and groom initials. Our letters are all wireless and battery operated with individual control over each bulb to tailor the LEDs to your colour scheme.

# Laser Lighting

Our laser lighting takes your event to another dimension adding that real club feel. We have our popular green and multi-coloured laser effects available and are all able to display a complex range of animated effects and text which can be programmed to scan across different areas of the venue.

# Gobo Lighting

Gobo lighting allows you to display initials, names and logos to any surface type, walls, floors or ceiling in colour or in black and white. We work with all of our clients to create the perfect custom design, whether this is a company logo or a bespoke image, which you would like to project. Gobos are a great way to decorate your stage sets and impress your guests with this unique and personal style.

## Follow Spot Lighting

Follow spot lighting is a fantastic way to make a grand entrance whether it be corporate or a special day event to highlight items or principles. Feel like a VIP as the venue lighting dims at the focal point of your entrance and the spotlight is on you. Perfect for bride and groom entrances, product launches, speeches and special announcements.

## Venue Mood Lighting

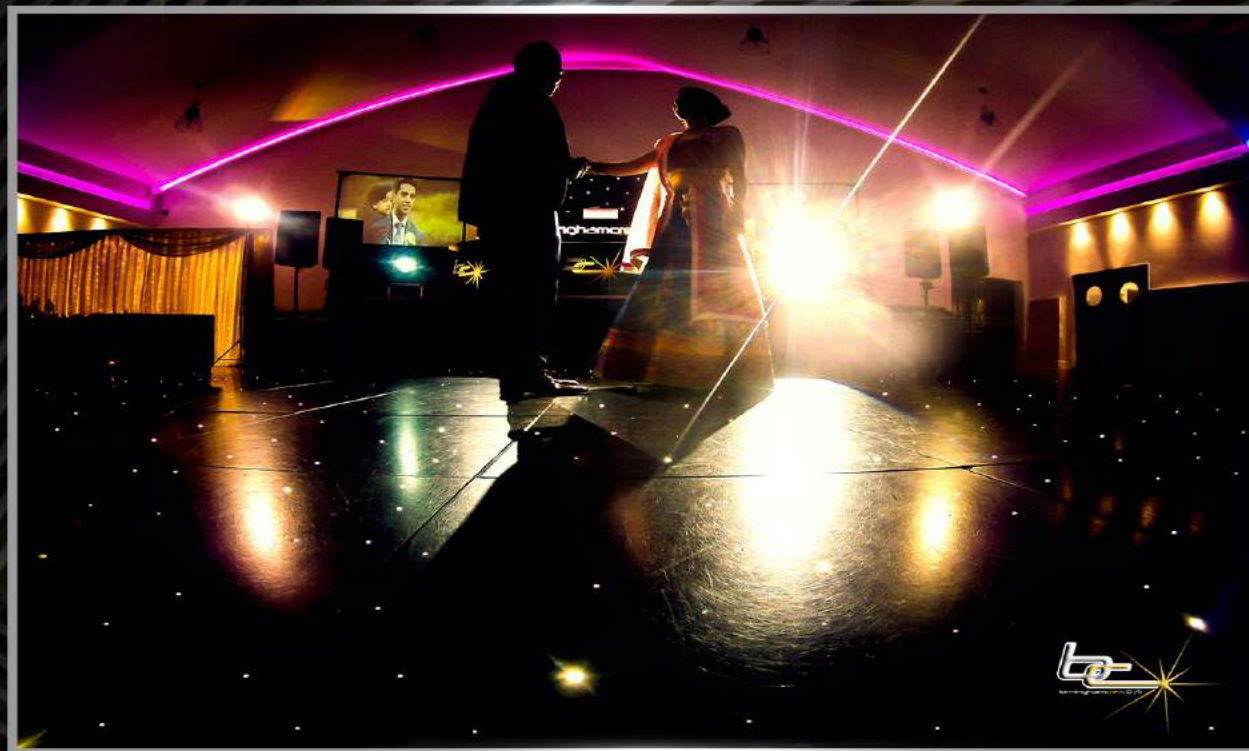

Venue mood lighting is the perfect solution to transform an ordinary function room into something extra special by bathing your venue in an amazing wash of colour. This creates a feature that not only looks great to your guests but will stand out and enhance videos and photographs.

EXTRAS

birminghamcrewDJs

# Starlight Dancefloors

Choose from our range of starlight dancefloors to suit the style of your occasion. Whether it be our starlight black dancefloor or our starlight white dancefloor, both are great to add glamour and sophistication to accommodate your special event. Create the illusion of you and your guests dancing on the stars.

EXTRAS

birminghamcrewDJs

# Visual/Graphic Dancefloors

Why not step up the style and fun with our latest LED graphic dancefloor to obtain that wow factor that will impress your guests and make your event one to remember. Our LED graphic dancefloors are a great way to add that personal finishing touch adding visions of colour to create that vibrant party atmosphere.

## Starlight Walkways

Feel like a VIP as you make your grand entrance through to your dance floor via our starlight walkway floor. This will set you apart from the rest of your guests as you make your way down the aisle to the centre of your dance floor for that special cake cutting or first dance moment. Our LED starlight walkways are a wow factor piece to add to your event as a general walkway for your guests to create that red carpet feel.

## Gold/Silver Mirrored Dancefloors

Our magical and elegant mirrored dancefloors are bespoke-made for every event and sure to get your guests talking. The flooring is available in silver or gold mirrored effect and can be made into any shape and size to suit your requirements. Watch as your guests dance the night away in style as these floors beautifully reflect the light within the room.

## Dancefloor Decals

Dancefloor decals are a great way of adding something very personal and special to your event. Personalise your design with a splash of colour to tie in with your theme, include names or even special dates and numbers. Our decals will create a lasting impression and adds that finishing touch to make your event unique. We will work with you to create a truly bespoke design.

## BC TV (Music To Video)

An optional added extra to packages which encompass visual media. This provides you with a Video Jockey specialising in mixing music videos in real time, working alongside the DJ to create a Live Audio and Visual Entertainment experience.

EXTRAS

## Star Cloth Backdrops

birminghamcrewDJs

The star cloth will transform the back wall of your DJ set up into a magical star lit night sky, blocking out any natural light, thus enhancing the effect of your package. Star cloths are available in our popular black or white colours with various sizes in stock. From simply covering your back wall to completely covering a room, a star cloth will ensure an effective, attractive and sophisticated look.
